Bring your Vac Truck

24/7 Service

 24 Davis Road, Wetherill Park

Convenient. Simple. Rewarding.

reDirect have successfully repurposed over 99% of waste received.

Convenient Location

- 9 minutes from the M4 at Prospect Hwy
- 11 minutes from the M7 at Horsely Dr

Operational Benefits

- Automatic weighbridge with licence plate recognition.
- Upon completion of each transaction a copy of your weighbridge docket will be emailed to your nominated address.
- Four undercover tipping bays designed for vac trucks. Keeping your drivers safe and turn around times short.
- First class washout system with high pressure/ volume hoses.

Facility Details

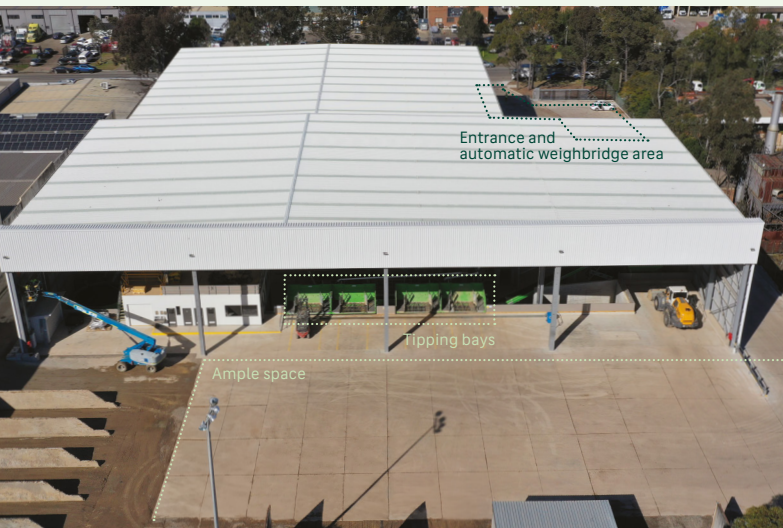

Our custom built state of the art wash plant is designed to accept soil and liquid waste. All materials are washed, scrubbed and sorted.

Our goal is to reuse 100% of incoming material. Finished products are sent back into the construction and landscape industries.

There's More!

- Operators can help themselves to FREE hot food, coffee and ice creams.
- Each visit gives the operator one entry into our weekly \$1,000 gift card raffle, drawn every Friday.
